HomePage

Welcome to Our Community

Welcome to The Joyful Programmer's website, the goal of this project is to create a knowledge hub for everyone who is interested in computer programming, and are willing to participate and collaborate together. You can also visit the Homepage for Registered users, where you will be able to test some of the features which will allow you to work collaboratively with others.

Step 1: Explore

- Search for Content
- Visit Wiki Pages
- Read Blogs and Forums

Step 2: Ask a Question and Give Feedback

- Register to become part of the community
- Ask questions in the Forums
- Give feedback using Comments at the bottom of any page

Step 3: Contribute

- Start Creating, Editing and Enhancing our Community Knowledge Base.

Current Website Status:

This site is currently closed, and member registration has been disabled. The Tiki-Wiki website software, which is what this site is built with, offers a wide range of powerful features and options for everyone, which will allow the community, as-well-as the admins, to build a great collaborative informational site for all to enjoy.

Some of the Things this Site has to Offer:

- A powerful Wiki system with a WYSIWYG editor.
 - A blogging system.
 - A spreadsheet system that will allow you to create, edit, delete and use on this site.
 - Print to PDF
 - A powerful Calendar system.
 - Forums.
 - User Wiki pages like those seen on Wikipedia.
 - An Article system
 - File Galleries: For wiki pages, forums, users, and more.
 - Newsletter system.
 - A friendship network.
 - Social media connections (share, like, etc...)
 - A Discord popup chat box.
 - and so much more...
-
